EDUCATION

2027	**İstanbul Technical University (İTÜ),** *M.Sc. Artificial Intelligence and Data Engineering*
2018 – 2024	**Yıldız Technical University (YTÜ),** *B.Sc. Metallurgy & Materials Engineering (English)*
2023 – devam	**Anadolu University,** *B.Sc. International Trade & Logistics (Open Education)*
2021 – 2025	**İstanbul University,** *B.Sc. Management Information Systems (Open Education)*
2014 – 2018	**Çapa Koleji Fen Lisesi,** *100% Merit Scholarship -Graduated as Valedictorian*

LANGUAGES

English	Spanish	Japanese
C1 (IELTS 7)	A2	A2 (JLPT N5)

PROFESSIONAL EXPERIENCE

Mondelez International

01/2026 – Present

Customer Service & Logistics (CS&L) Operations Specialist

- **End-to-End Account & Delivery Management:** Dedicated to A101 Supply Chain operations; managing demand forecasting, order processing, and delivery execution across Turkey network.
- **Digital Transformation & AI Integration:** Spearheaded internal AI-driven tools, prototyping order automation bots and customer delivery tracking portals.
- **Delivery Information Portal:** Designed and launched a customer delivery visibility portal that reduced customer inquiry emails by ~85% and freed up 1.5–2 hours of daily operational capacity for the team (presented at Company Town Hall and to senior executive leadership).
- **Control Tower Initiative:** Co-created the Customer Control Tower platform for unified data ingestion, KPI tracking, and standard executive reporting in collaboration with the AI & Digitalization teams.
- **Process Automation:** Architected an automated Order Management bot triggered by batch emails to clean, standardize, and route order data seamlessly.

05/2025 – 01/2026

Assistant Brand Manager (ABM) – Oreo, Milka & 7Days

- **AI Decision Support Interface:** Transformed complex Nielsen market data into a local AI-assisted decision interface, automating category, competitor, and campaign ROI analytics.
- **Brand Strategy & Execution:** Localized global brand strategies for Oreo, Milka, and 7Days; managed cross-functional digital/CRM agency workflows, A&P budget tracking, and PO/GR operations.
- **Product Launches & Performance:** Led launch execution for 7Days Strawberry and Milka Biscoff; analyzed campaign KPIs using Power BI to optimize multi-channel content and sales performance.

Assan Alüminyum

07/2023 – 07/2024

Sales and Customer Operations Intern (K-team Long-term)

- Managed pricing, quotations, and orders for 32 key accounts across Europe and North Africa using SAP CRM and QlikView; saved 15 hours/week and reduced order-to-delivery lead time by 2 days.
- Coordinated with logistics and foreign trade teams on Incoterms-based shipment planning; reduced monthly shipping errors by 3 incidents and improved delivery accuracy by 12%.
- Achieved 36,000 tons/year in aluminum sheet sales; conducted market research identifying 5 new business opportunities; streamlined management reporting using Power BI.

- Monitored supply program KPIs and escalated supply chain bottlenecks to ensure on-time customer fulfillment commitments.

INTERNSHIPS

07/2023 – 08/2023 **Assan Alüminyum,** *Metallurgical Production Operations Intern*
- Analyzed end-to-end production processes at 360,000-ton/year capacity facilities; identified downtime root causes and implemented corrective actions, reducing reporting cycle by 25% (saving 4 hrs/week).
- Prepared operational performance reports using SAP and Advanced Excel; ensured full ISO 9001 compliance, passing internal audits with zero non-conformities.

08/2022 – 10/2022 **RMS Defence and Aviation,** *Metallurgical Shaping Methods Intern*
- Evaluated forming and supply processes for steel (50K t/yr), aluminium (27K t/yr), and titanium (23K t/yr); created technical process documentation using SolidWorks and AutoCAD.
- Applied Six Sigma DMAIC principles; reduced process defects by 15% and improved operational efficiency by 10%.

08/2021 – 10/2021 **Coremate,** *Volunteer IT & Operations Intern*
- Developed a Python-based facial recognition system; improved recognition accuracy by 5% and reduced processing time by 30 sec/image.
- Streamlined data-sharing workflows, cutting report preparation time by 3 hours/week and enhancing cross-team operational efficiency.

CORE COMPETENCIES & TECHNICAL SKILLS

Technical — SolidWorks, AutoCAD ,Python, MATLAB, C++, Azure Portal

Quality — ISO 9001, ISO 45001, Six Sigma Root Cause Analysis Continuous Improvement

ERP & Systems — SAP (MM, PP, CRM, SD), SAP BW, QlikView, Advanced Microsoft Excel, Power BI, Tableau

Supply Chain — Supply Operations Management, Spare Parts Planning, Demand Planning, Supplier Backlog Management, Incoterms, Foreign Trade & Customs, Procedures Import Operations

Project Managment — Agile / Scrum Methodology, Asana, Trello, Notion, Cross-functional Team Coordination

Artificial Intelligence — Claude, Claude Cowork, Claude Code, ChatGPT, ChatGPT Codex, Gemini, AmazonQuick

SELECTED PROJECTS & VOLUNTEER ACTIVITY

Dilek Yıldızım
- Main Coordinator (2021-2023)
- Led a team of 68 members; coordinated programs and managed collaboration with 9 external experts across social responsibility initiatives.

Bir Ses Bir Umut Music Community
- Founder & Lead Coordinator (2022-2024)
- Founded community; coordinated 6 events across İstanbul and Ankara; managed budgets and raised TRY 9,800 for 9 families in need.

BTM Incubation Centre
- Junior Entrepreneur (2018-2024)
- 12 entrepreneurship sessions + 4 workshops on financial planning, market analysis, and investor presentations.

Reverse Mentoring
- Selected as a reverse mentor for the Regional Finance Director (Europe, Türkiye & Middle East) and Türkiye Supply Chain Director, facilitating cross-functional knowledge exchange and leadership development.
- Engaged senior executives in discussions on Gen Z perspectives, digital transformation, emerging trends, and evolving workplace dynamics, fostering intergenerational collaboration and strategic insights.

PROJECTS

B4C/BN Nano-Composite Armor Materials

Yıldız Technical University - Graduation Research (2022-2023)

Produced BN-reinforced B4C matrix composites via sol-gel process for defence armour applications; improved toughness and thermal conductivity benchmarks.

CERTIFICATIONS & TRAINING

2026 **Digital University,** *YÖK, Boğaziçi, İTÜ, YTÜ*
- Artificial Intelligence - Machine Learning
- Sustainability - Sustainable Economy and Finance

2025 **SheFi Scholar — Full Scholarship & Graduate,** *SheFi*

2026 **Google AI Professional Certificate,** *Google / Coursera*

2026 **Deep Learning Institute Training,** *NVIDIA*

2025 **Engineering & Technical,** *Aviation Engines School: Gas Turbine Systems - TEI*

2025 **Engineering & Technical,** *TEI Professional: Technical & Behavioral Development - TEI*

2024 **Engineering & Technical,** *Material Selection & Failure Analysis - Coursera / Northwestern*

2023 **Engineering & Technical,** *Structural Analysis I - edX / MIT*

2025 **Entrepreneurship & Innovation,** *Clean Technology Entrepreneurship - Faradai*

2026 **Entrepreneurship & Innovation,** *Tech Entrepreneurship: Lab to Market - Harvard University*

2025 **Business Analytics & Data Science,** *Power BI for Business Analytics - Microsoft / Udemy*

2022 **Quality & Process Improvement,** *ISO 45001 Occupational Health & Safety Educore*

2021 **Quality & Process Improvement,** *ISO 9001 Quality Management Systems ARES Academy*

2023 **Quality & Process Improvement,** *Six Sigma Green Belt Fundamentals BTK Academy*

2025 **Supply Chain & Operations,** *Power BI for Business Analytics Microsoft/Udemy*

2023 **Supply Chain & Operations,** *Supplier Relationship Management - Udemy*

2022 **Supply Chain & Operations,** *Supply Chain Management - Anadolu University*

2023 **Supply Chain & Operations,** *Quality Engineering Principles Assan Alüminyum*

2026 **Project Management & Leadership,** *IBM / ALM*
- Project Management Fundamentals
- Project Management Lifecycle
- Exploring the Basics of Project Management
- Creating a RACI Matrix Using AI
- Creating a Project Charter Using AI

2026 **AI Leadership,** *OpenAI Academy*

2026 **Artificial Intelligence & Digital Transformation,** *OpenAI Academy*
- AI Foundations & Courses

2026 **Artificial Intelligence & Digital Transformation,** *Anthropic | Claude Academy*
- Claude Academy & AI Tools
- Claude Code 101
- Claude Cowork Training
- How to Use Claude

2026 **Artificial Intelligence & Digital Transformation,** *Coursera*
- AI Fundamentals
- Introduction to Artificial Intelligence

- Transferable AI Skills
